Please read carefully

### FINISH

Timber may be selected to ensure that the visible surfaces are of a higher grade than unseen surfaces. These unseen areas are not finished to the same standard as the visible surfaces.

### CARE

To clean your Shelf, wipe with a damp cloth followed by a dry cloth.

### IMPORTANT

To ensure maximum performance from this product, we advise that you check and tighten all bolts and screws on a regular basis to avoid damage and strain to parts.

### GUARANTEE

This instruction leaflet forms part of your guarantee, please retain it. The ROPO number along with your invoice number will need to be quoted in all correspondence with Futon Company.

Thank you for choosing Futon Company.

**IMPORTANT!** a wall leash must be used with this product

1. Before moving the unit into place establish the correct height to attach the 'wall leash' to the wall.
2. Attach the two hole end of the leash to the wall with hardware suitable for your wall. Screw fixings to attach the leash to the wall are not included as different wall materials require different types of fixing. Contact your local specialised hardware store for advice on suitable fixing.
3. Move your furniture into place and attach the one hole end of the leash, with the supplied wood screw, 1cm from the rear/top edge of the top of the unit.
