How to assemble Oslo Dining Table

Please follow these instructions carefully

Step 1 : Lay the table top face down on a clean, flat, soft surface to prevent scratching the top.

Step 2 :

Step 3 :

Make sure the clips on both sides are locked before turning table over into upright position. When turning table, 2 people are recommended.

How to assemble Oslo Dining Table

Please follow these instructions carefully

Step 4 :

To open table, unlock clips, then from one end pull the tabletop towards you so that it slides open to expose the middle section. Carefully lift the middle section up and rotate it over unfolding the middle section at the same time. Take care to support both sides of the middle section when unfolding.

Then push table end back slightly to close the gap between the middle section and table ends. Lock the table with the clips before using your table.

Step 5 :

To close table unlock clips, then from one end pull the table end a little so there is a gap between the middle section and table ends. Then carefully using both hands to support middle section fold up and over so that middle section is stored away under middle of table.

Push table end back towards the middle to close the open gap making the table back into a circle shape. Lock the table with the clips before using your table.

FINISH

Timber may be selected to ensure that the visible surfaces are of a higher grade than unseen surfaces. These unseen areas are not finished to the same standard as visible surfaces.

CARE

To clean your table, wipe with a damp cloth followed by a dry cloth.

IMPORTANT

To ensure maximum performance from this product, we advise that you check and tighten all bolts and screws on a regular basis to avoid damage and strain to parts.

Improper use, improper assembly and mishandling may lead to product damage.
