Parts Checklist

Please count and check every component very carefully before you begin

① Headboard

Fittings Checklist

Please count and check every component very carefully before you begin

① Wall fixing x 6

② Short Screw x 6

③ Wall Plate x 3

1300

To hang your Headboard use the paper template. The distance between the left and the right two holes is 1300mm. When tightening screws make sure they are close to the wall so the Headboard is tight to the wall when hung on keyhole plates.

④ Paper template x 1

550

*** Cross head Screwdriver, spirit level, Hammer and drill also required for assembly.
