

Assembly Instructions

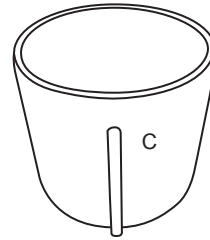

FUTON
C O M P A N Y
CHAIR RIALTO

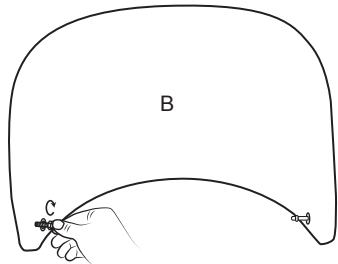

A x 1

B x 1

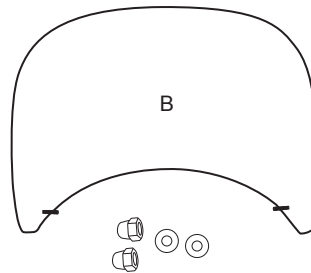

C x 1

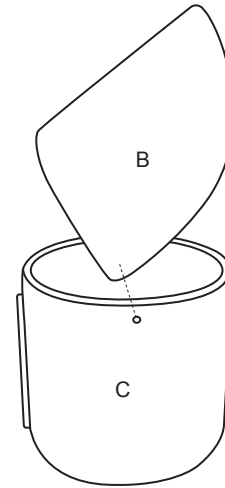

Unscrew nuts and washers on both sides

①

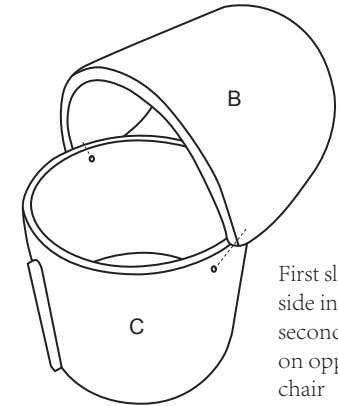

②

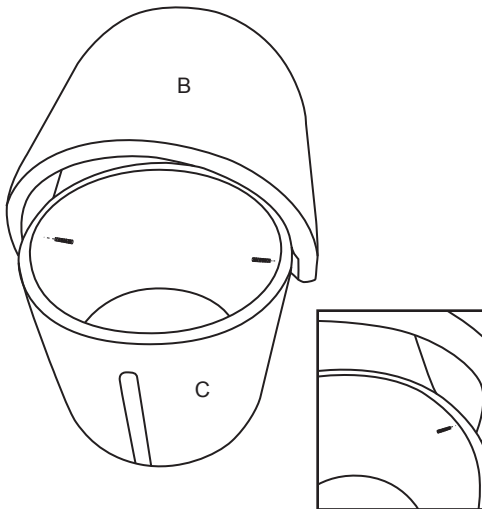

Line up threads of part B with holes in part C. Make sure to line up back of seat with back of chair that has the vertical strip down the chair back

③

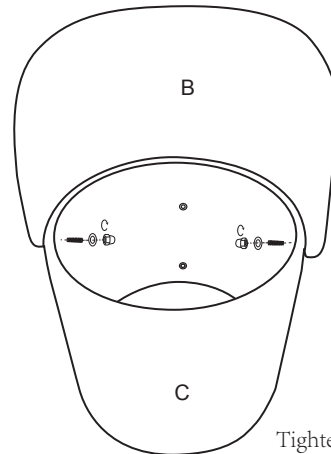

First slide thread of one side into hole, then slide second thread into hole on opposite side of chair

④

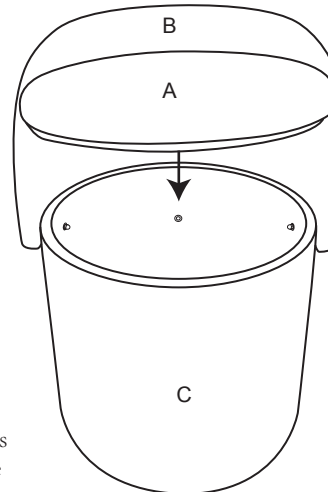

⑤

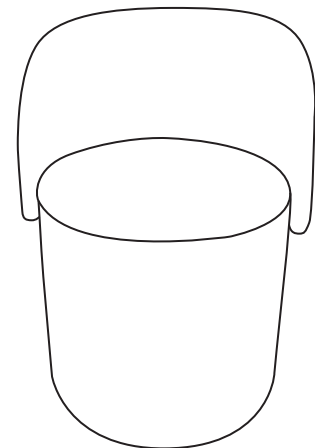

Tighten nuts and washers on both sides taking care not to overtighten

⑥

⑦

⑧

If Chair is left open or closed for an extended period of time the fabric may crease a little. This can be smoothed out by hand or by using a steamer
