

ASSEMBLY INSTRUCTION

STEP:1

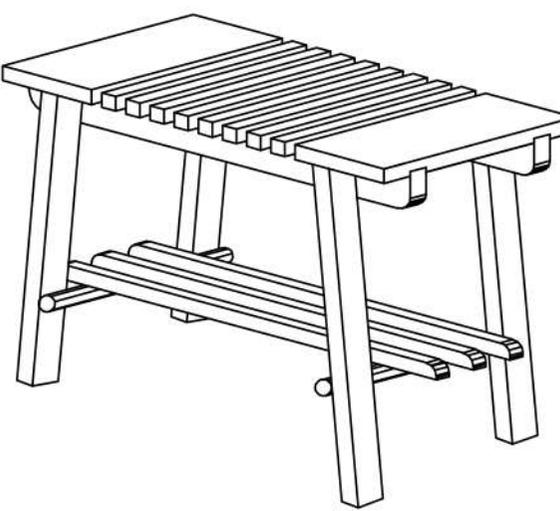

Keep bench top faced down in packing materials during assembly to protect surface

STEP:2

STEP:3

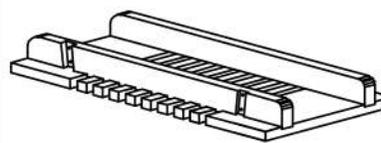

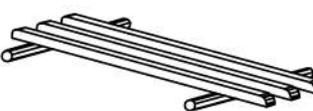

Attention:

When building the Edo bench, you will be fixing 16 screws.

As there are so many screws, it is important to firstly have all the components in place with screws only **LOOSELY TIGHTENED.**

Then, when you are sure that all the screws are correctly aligned, you can fully tighten them.
