The drawer runner height can be adjusted here.

To ensure that the unit remains stable, either use fixing hole to fix it to the wall or apply the Anti-slip pads to the ends of the rails.

Fixings to attach mirror to wall are not included as different wall materials require different types of fixing. Contact your local specialised hardware store for advice on suitable fixing.

For safety reasons, we advise you to fix this item to the wall if young children or boisterous dogs are liable to bang into it. Never allow children to climb on furniture.

FINISH

Your Leaning Mirror Drawers is made from solid Oak. Timber may be selected to ensure that visible surfaces are of a higher grade than unseen surfaces.

CARE

To clean your Mirror Drawers, wipe with a damp cloth followed by a dry cloth.

IMPORTANT

To ensure maximum use from this product, we advise that you check and tighten all bolts and screws on a regular basis to avoid damage and strain to parts.
