How To Assemble Your Dressing Table

Please follow these instructions carefully

To ensure that the unit remains stable, either use the bracket part E supplied to fix it to the wall or apply the anti-slip pads to the ends of the rails as shown. Fixings to attach the unit to wall are not included as different wall materials require different types of fixing. Contact your local specialised hardware store for advice on suitable fixing. For safety reasons, we advise you to fix this item to the wall if young children or boisterous dogs are liable to bang into it. Never allow children to climb on furniture.
